Dear Ms. Young,

Thank you! Through your support and the support of so many other donors, millions of meals have been and continue to be distributed throughout our 11-county service area. None of this would have been possible without your generosity and donors like you. Your donation helped provide wholesome food to more children, families, seniors, and individuals who need assistance in our area.

Here are a few ways that your Food Bank has made an impact in the Big Bend region during the 2021 year:

- Distributed more than 13.5 million pounds of fresh produce, meat, and non-perishable foods!
- Volunteers provided 17,500 hours of their time, which equates to 8 full-time employees.
- Partnering with 135 pantries all over the Big Bend, which have hosted, on average, 364 free food distributions each month to ensure that everyone has access to food when needed.

Because of you, your Food Bank provided more than 10 million meals per month to children, seniors, and families. You have truly made a difference in the lives of so many and we thank you for your support.

We are pleased to attach a statement of your 2021 contributions to Second Harvest of the Big Bend for tax purposes.

Also, this year we are including a quick survey for you to answer. This survey will help us know more about you as a supporter of Second Harvest.

Just as you have in the past, we are counting on you to help us in the fight against hunger in our communities during the 2022 year.

With much appreciation,

Monique R. Van Pelt
