

Flexible workplaces require **flexible payment options**

We speak tech

Today, flexibility is the name of the game. Flexible workspaces, work-schedules and sometimes even workarounds.

When investing in technology, you need payment solutions that are anything but rigid. Whether you're a growing business, seasonal business, or anything in between, we have options that flex to you.

<p>Seasonal Payment</p>  <p>Flex payments up and down according to changing revenues</p>	<p>Step Payment</p>  <p>Increase your payments gradually over time</p>	<p>Deferred Payment</p>  <p>Use the equipment today and start paying for it later</p>
